

# challenge to discipleship

## *why discipleship?*

Our ultimate desire is to know Jesus and make Him known. Our hope and prayer for discipleship is “that we all, with unveiled face, beholding the glory of the Lord, are being transformed into the same image from one degree of glory to another. For this comes from the Lord who is the Spirit” (2 Corinthians 3:18). He is our glory, our hope, and our song. He is the one who sees us to the bottom and loves us to the skies.

We desire to walk with Him so closely that others hear His words in our words and see His heart in our actions. We want to love Him above all else and fully surrender our lives to Him that His name may be exalted among all campuses and all nations -- **until the whole world hears!**

We **both** commit to giving the following three things in our relationship:

### **Grace**

I accept you.  
You don't have to perform for me.  
You have the freedom to fail.  
You can be honest with me.  
Your sin won't surprise me.

### **Truth**

I love you just the way you are and too much to let you stay that way.  
I am committed to the Word and will use it if I see areas that need to be addressed.

### **Time**

We are both in a process.  
We haven't arrived.
